# 2024 *Event* PACKAGES

Our 1250 square foot traditional post and beam winery, completed in 2021, features a 500 square foot tasting room on the first floor and a 750 square foot book loft/lounge upstairs.

Plentiful light from the large windows and vaulted-ceiling design lends an open airy atmosphere, enhanced by the beautiful 6' x 5' fireplace and unique artwork to create a home-like space perfect for small parties and gatherings.
